Colby, Secretary of State. "We, The Missouri Conference of the Methodist Episcopal Church, South, in solemn assembly, believing the League of Nations greater than any person or political party, being indeed an honest attempt by the civilized peoples of the world to avert the recurrence of war, reaffirm our allegiance to it and our unbounded faith in its ultimate triumph.

The Seers and Prophets of old foretold its coming; the time of universal disarmament, when the nations of the earth would beat their swords into plow shares and their spears into pruning hooks, and would study war no more. When Jesus Christ, our divine Lord, walked the hills of Judea and Galilee, He preached a gospel of universal brotherhood that would

bind all the nations together in love and harmony. The fondest dreams and highest ideals of a war-stricken world have ever been that just such a time would come. That men without vision, blinded with selfish and partisan interest, should array themselves against the League of Peace and declare it too Utopian for this world, is not strange. Nothing good or great has ever come to Church or State to bless the world, that did not come by the way of Gethsemane and Calvary, crowned with thorns.

As a Christian nation, we dare not do less than join hands with other civilized nations to prevent the recurrence of another war like the one through which we have just passed, that swept eight millions of the flower of our race into eternity, and consumed untold billions of our sacred treasures. We dare not from selfishness and cowardice, desert our allies in the hour of the world's great peril. We dare not dishonor our heroic dead, who made the supreme sacrifice and sleep in graves far away from home and kindred that the world might be made a safe place in which to live. Therefore: Resolved, that with faith in the God of Nations, who is no respecter of persons, and with love for our fellow men, we pledge ourselves to exert our utmost influence in word, in prayer, and in act to have our beloved country align itself with the civilized nations of the world in The League of Nations for the prevention of war and the maintainance of peace on earth and good will toward men."

REPORTS

REPORT OF BOARD OF MISSIONS

We, your Board of Missions, beg leave to submit the following report:

We wish to call your attention to the splendid showing that has been made by our Treasurer, J. L. Hammett, in the collection of the centenary funds and maintaining the leadership in that particular of the entire church. We desire to express our earnest appreciation of his splendid success.

We desire also to call your attention to the significance of the centenary movement in the enlargement of our existing mission fields and institutions, extension of fields, multiplication of workers calling for a continuous increased expenditure and enlarged responsibilities of the home administration; also to the opening up of new missions in three countries of Europe, and the prospects of a fourth and of home missions under new conditions as revealed by recent surveys, which amount practically to a new discovery. These considerations emphasize the full collection of the centenary pledges. The undertakings of the future depend largely upon the financial outcome of the centenary. The missionary forces are all deeply interested in the educational campaign. It is earnestly desired that nothing we do shall hinder, but rather help to make that campaign a success. We, therefore, believe that a prompt collection of the centenary pledges will do much to further the cause of the educational campaign.

To this end, we ask the appointment of Rev. V. O. White as Conference Missionary Secretary. Since the third installment of our centenary pledges falls due January 1, 1921, and since the great educational campaign of our church is to take place some time during the coming Spring or early Summer, we recommend that the Missionary Conference designate the month of January, 1921, as a time during which a special effort shall be made to collect in full the three installments of our centenary pledges that will be due at that time. We especially urge that all Presiding Elders and Pastors organize their respective districts and charges that there may be realized the benefit of a simultaneous effort in reaching such a goal.

We desire to remind you of the great opportunities and corresponding responsibilities that have come to us in the increased fields and agencies for missionary activity at home and abroad, bringing to us the imperative necessity of prosecuting that which we have begun with the greatest fidelity. We urge again that our preachers and presiding elders acquaint themselves with and follow the standard plan of the Centenary Commission in conserving the results of our past achievements. Let us continue in the earnest cultivation of the stewardship of prayer in intercession of life service and of property.

We wish further to call your attention to the imperative need of increasing our income to care for our expanding missionary program. The law of assessments makes obligatory the annual payment of the assessment for missions along with other assessments not involved with the Centenary offerings. Again, the regular income including assessments, has, from the beginning, been kept entirely separate from the strictly Centenary funds.

We wish to direct your attention also to the fact that the Board has received only about seventy-five per cent of its asking for Conference Missions for the year. Hence in order to fulfill the pledges made to our ministry in the Centenary, we have had to appropriate four thousand dollars a year in excess of our stated income from assessments.

We are grateful that we have been able to report, owing to the success of the Centenary, that we have so supplemented the salaries of our preachers on the larger number of the weaker charges to a minimum of twelve hundred dollars per year, and that it is the policy of the board to maintain such a minimum in the Conference. We do not regard this as inadequate for the maintenance of such a standard of living as should characterize our ministry.

We again desire to remind the Conference and especially the Presiding Elders that all such appropriations are provisional on progress and that they are not to be indefinitely continued. We trust that every effort possible be made by those receiving these appropriations to become self-sustaining.

We commend to our churches the wisdom of the plan of specials and urge the hearty co-operation of the churches to the end that every congregation may have a missionary special.

We desire to call the attention of the Conference to the faithful and efficient work of our Conference Missionary evangelist, W. P. Hunt, and ask his re-appointment to this work and that he be authorized to take, or have taken offerings for the Board of Missions and all other expenses incident to his service in all charges where he may conduct evangelistic meetings.

We ask that Robin Gould be elected to a place on the Board of Missions, vice N. F. Johnson, transferred to another Conference.

Respectfully submitted,

J. N. BOYD, Chairman S. W. HAYNE, Secretary

REPORT OF BOARD OF CHURCH EXTENSION

The past year has been marked by progress with the Church Extension Board. The reports from the office of the General Board reminds us that the total receipts from all sources for the year ending March 31st, were \$1,324,061.31, about \$400,000.00 of this amount coming from the Centenary.

The income of the previous year was \$864,326.85. This indicates an income of \$60,734.46 above the previous year, independent of the Centenary contribution.

Of the Centenary fund of \$2,000,000.00 which will finally come to the Board of Church Extension, one-half is to be placed in the loan fund as collected, and the remaining one-half is to be divided bet veen the foreign and home mission fields, forty per cent going to the foreign field and sixty per cent to be used at home on distinctly mission territory. Granis have been made to different charges from this centenary fund this year, but it must be kept in mind that payments are to be made from year to year as the centenary funds come into the hands of the General Board. Let the Brethren keep in mind that the Conference Board does not handle any of the Centenary fund.

We rejoice in the increase in the Loan Fund of the General Board which now totals \$1,501,697.09. In spite of the splendid increase in this fund, the General Board had requests for loans this year twice the amount available.

Your Conference Loan fund is now \$3,956.13, and every year we have requests for loans far in excess of the amount available. In view of these facts, we urge the pastors as opportunities are afforded, to call the attention of our people to this fund that never ceases working and that as it works, grows.

The Sunday School Loan Fund which is loaned to churches for better Sunday School equipment, now amounts to \$19,465.41. Our Conference contributed \$52.10 to this fund during the past year, and only three schools had a part in it. This fund grows from birthday offerings. Secure a birthday jar from the office at Louisville and have a part in this growing fund.

Your Board urges the submission of plans for church building, to the architectural department of the General Board at Louisville. This department is created to aid in such a way as to avoid serious blunders in church building that in the past have been very expensive to local congregations and the boards.

The applications to your Board this year total \$5810.00 for donations, and \$1500.00 for loans. Of necessity we were compelled to shade where we would like to give more. Every year we learn that charges have asked for more than they expect to receive. The policy is unfair to your Boards, so we are urging the Presiding Elders and Pastors to see to it that only the amount needed is asked for.

REPORT OF THE BOARD OF EDUCATION TO THE ANNUAL CONFERENCE

Your Conference Board of Education submits the following

Report No. 1.

We refer to the Conference without recommendation the following resolutions, which were suggested to us by the Educational Campaign Commission:

- 1. We endorse the plans of the Educational Commission for carrying out the will of the General Conference, and pledge our hearty support and best efforts in achieving the object of the campaign, to raise for our schools, colleges and universities at least \$33,000,000, the minimum sum necessary to enable them to send out the constantly increasing stream of educated Christian leaders required to carry forward the Christian work of the world, and to secure \$1,000,000 to aid worthy students who are looking to some form of Christian service, in their efforts to obtain an education.
- 2. We assume as the quota for this Conference the sum of \$771,500, and authorize the Conference Educational Commission with the help of the Presiding Elders to divide at the proper time this amount equitably among the churches of the Conference, Provided, however, that if Central College for Women remains in the Junior Classification, this total shall be reduced by \$46,071.

Report No. 2

I. RESOLUTION RELATIVE TO ST. CHARLES COLLEGE.

WHEREAS, no substantial additional donations to the endowment of St. Charles College have been made for more than sixty years; and,

WHEREAS, that College has wholly ceased to functionate and its Curators have not for a number of years deemed it wise to attempt to operate it because of the fear of consuming all its assets in such a venture;

BE IT RESOLVED by the Missouri Conference of Methodist Episcopal Church, South, that:

1. In the judgment of this Conference the endowments contributed to that institution many years ago by the good people within the then bounds of this Conference, practically all of which were contributed by members of this church, are not now being used and applied to the purpose for which they were donated, the main purpose being to establish and maintain

an institution of learning of high grade under the directing influence of the Methodist Episcopal Church, South, of Missouri.

- 2. It is the deliberate judgment of this Conference that it is impracticable, unwise and impossible for the Curators of St. Charles College to conduct, carry on or maintain at St. Charles such a college as was intended by the donors of the endowment fund of that institution with the amount of property and assets now owned by that corporation or which it may expect to gather together or to accumulate in the future, and that the purposes and desires of the donors of that charitable endowment can best be carried out by transferring and uniting that fund with the funds of some well established institution of learning in Missouri having the same objects and purposes as those expressed in the charter of St. Charles College.
- 3. The Attorney General of the State of Missouri is hereby requested to institute and carry forward some appropriate legal proceeding to determine what is just and equitable in the premises, and if the property and funds now held by the Curators of St. Charles College may be transferred to and consolidated with those of another institution, we earnestly represent and recommend that the same be transferred to and consolidated with Central College at Fayette, Missouri, which is an educational institution of the highest grade similar in aims and purposes to those of the good people who endowed St. Charles College as expressed in the articles of incorporation of that institution and amendments thereto.

II. RESOLUTIONS WITH REGARD TO THE EDUCATIONAL CAMPAIGN.

1. WHEREAS, the General Conference in its prophetic consideration of the two great responsibilities of the Church recommended that there be two church-wide intensive movements in the present quadrennium, one for missions and one for Christian Education, in the following resolution:

"We recommend that the right of way be given to the Centenary Movement in the first two years and to the Educational Campaign during the second two years of the quadrennium and that during these two periods as far as possible the full power of the church be delivered in these respective campaigns."

2. AND WHEREAS, our educational institutions are in pressing need of additional funds in order that they not only may move forward with the progress and development of the church and country, but in truth even in order to maintain their present efficiency under changing conditions, and whereas we recognize the fact that our educational institutions have by order of the General Conference been kept for the past two years from presenting their needs to the Church.

- 3. AND inasmuch as the tragic events of the past few years have taught us that education without Christ is not only mockery but also a menace to the peace and safety of the world, and, therefore, that if the Church and America are to be true to their mission, education must be Christian.
- 4. AND WHEREAS, our denomination is now short eight hundred preachers and is calling for hundreds of missionaries and trained workers not now available, and inasmuch as we recognize our responsibility for recruiting and training young men and women for this work if our church is to grow and serve.
- 5. AND inasmuch as we feel our responsibility jointly with the responsibility of the other conferences to focus our attention this year upon the processes of Christian Education in the home, the church, and the school.

BE IT RESOLVED:

First, that we endorse the plans of the Educational Commission for carrying on the will of the General Conference, and pledge our hearty support and best efforts in achieving the five-fold objective of the Campaign.

- 1. To develop in the mind of the church an adequate conception of the place of Christian education in the life of the church, of the nation and of the world.
- 2. To promote the cause of religious education by bringing about a closer and more effective co-operation between our institutions of learning and the Sunday School, and by establishing strong departments of religious education in our colleges and universities.
- 3. To lead at least 5,000 young men and women to pledge themselves to devote their lives to the ministry, to missions, or to some other form of Christian service, and to seek a Christian education as a preparation for effective life service.
 - 4. The General Financial Objective, which has already been adopted.
- 5. To deepen the moral and spiritual life of our people and to promote the spirit of Christian liberality in all of the efforts put forth to realize these objectives.

Second: That we take proper steps to fix the attention of all our people upon the fundamental place of Christian Education in the life and mission of our church and that to this end we urge pastors to preach and teach and laymen to lend their influence in every possible way.

Third: That we call our people for their prayers in behalf of the presi-

dents and faculties and trustees of schools, for our young people in attendance upon them, praying especially that these schools may supplement the work of home and church in leading the young people of this generation to the acknowledgment of Christ as their Lord and Master in whatever work they may choose.

Fourth: That we appoint a Conference Educational Commission to be made up as follows:

- 1. The Conference Secretary of Education.
- 2. A representative of the Conference Board of Education.
- 3. A representative of the Sunday School Board.
- 4. A representative of the Epworth League Board.
- 5. Two other members.

For the purpose of co-operating with the connectional Educational Commission and for putting in operation the necessary plans for securing the support of all our churches for this movement.

Fifth: That we request the appointment of a Conference Educational Secretary to be the full-time executive of the Conference Educational Commission and that we pledge such secretary when appointed our full loyalty and support.

Sixth: That we call upon our churches to co-operate in a manner worthy of the impelling need of our Christian Education program in arousing every member to an appreciation of his or her responsibility and in giving fullest financial support in his collections to be taken next spring.

III. APPOINTMENTS TO SCHOOLS.

The Board recommends that the Conference request the appointment of the following to schools:

Dr. Paul H. Linn as President of Central College; W. L. Halberstadt as President of Howard Payne College; Dr. O. E. Brown as Dean of Vanderbilt School of Religion; F. A. Culmer as Professor in Central College; R. S. Tomlin to the Theological Department of Payne College; C. H. French as student at Yale University; J. J. Copeland as student at Northwestern University; L. E. Murphy as student at the University of Chicago; George A. Schlueter as student at Southern Methodist University; R. C. Mayo as student at Central College.

IV. CLASSIFICATION OF CENTRAL COLLEGE FOR WOMEN.

The Board recommends to the Conference that the question of the classification of Central College for Women be referred to a committee of

three to be appointed by the Bishop, with plenary powers, to confer with a like committee from each of the other patronizing Conferences.

Report No. 3

Your Conference Board of Education, because of the long services to Christian Education of Dr. John Anderson, and since he was President of the Board at the time of his death, submits Report No. 3.

It is with sincere sorrow and a genuine sense of loss that we record the passing from our midst of Dr. John Anderson, the beloved President of our Board. Through a long life of service to the church his interest has been very largely centered in the cause of Christian Education, and in the progress of our schools. Every member of the Conference who knew him in his prime will testify that Dr. Anderson's real soul and purpose was here. He was one of the leaders of the Conference in every effort to further this cause, and it was a most fitting close to his life of useful service that when he put aside his armor for the rewards of heaven, he should be President of the Board that has it in charge. Many are the men in our minstry who owe their opportunity to obtain educational preparation for their work through Dr. Anderson, and we desire to have entered upon the Journal of our Conference our sincere tribute of respect to his memory, and our appreciation of his services, and we pledge ourselves to carry forward with like devotion the work so dear to his heart.

Church Schools

Representatives of our church schools have been heard—their reports have been read, and it is great satisfaction to us to note that the financial outlook is very promising, and that all of them will have a capacity attendance this year. It is with regret that we note that the payment on the assessment of \$4,000.00 was only about \$3,000.00.

We recommend for election as Curators:

Central College-

Dr. Paul H. Linn for a term of four years.

L. E. Carpenter for a term of four years.

Central College for Women-

F. J. Mapel for a term of three years.

E. S. Hunt for a term of three years.

Robin Gould for a term of two years to succeed J. D. Randolph resigned.

Howard-Payne College-

Dr. C. E. Burford for a term of four years.

Paul M. Culver for a term of four years.

Rev. J. B. Swinney for a term of four years.

Southern Methodist University, Trustee-

J. D. Randolph to succeed C. C. Grimes.

Student Work at Columbia

There will be fifteen or seventeen hundred Methodist students at the University of Missouri this year. The Commissioners report that the work of Mr. Newcomb, the Student Secretary, has been very efficient, and they consider themselves fortunate in being able to secure his services for another year. We recommend the election of J. F. Caskey as a member of the Commission on Student work at Columbia to succeed C. C. Grimes.

Southern Methodist Educational Association

A representative of your Board attended the meeting of this Association at Nashville, Tennessee, this year, and we are glad to know that the inspirational promise of the Association is being fulfilled.

REPORT OF SUNDAY SCHOOL BOARD

. The Sunday School Board of the Missouri Conference begs leave to submit the following report:

The year now closed has been one of growth in some phases of Sunday School work. The leaders have been in touch with the great Sunday School Specialists in the Church and the forward looking program of the Modern Sunday School has been before us.

Bro. Shadwick has given his time to the task of Sunday School Organization in the Conference.

If results have been less than expected, let us take into consideration the fact that pioneer work has been done, which is always slow.

The Board appreciates the co-operation of preachers and Sunday School people, and asks for the backing of our forces in the important work before us.

The following six objectives have been adopted-

1. A Conference-wide elementary Institute.

2. A District Institute in every district.

- 3. One Circuit at least to try out the plan of holding the Four Times a Year Institute.
- 4. At least one school in every charge observing Sunday School Day with an offering.
- 5. The establishment of a Conference Training School for Sunday School Workers.
 - 6. One Teacher Training Class at least in each pastoral charge.

The Board has employed R. Wessner, Dalton, Mo., an experienced and enthusiastic Sunday School man, as field Secretary.

Give him your best in the way of sympathetic co-operation. FRANK J. MAPEL, Chairman.

REPORT OF THE EPWORTH LEAGUE BOARD

The Conference Epworth League Board respectfully submits the following report:

There is one outstanding feature in the history of the Epworth League during the past year. The statistical reports of the Annual Conferences for the year of 1919 show a substantial growth in the Epworth Leagues in the entire church, the total number being 3,478 chapters with a membership of 119,331. This is especially gratifying for the reason that the statistics taken from the same source show that there was an actual decrease in the other departments of the church in membership for the corresponding period.

The reports of the pastors of the Missouri Conference for the past year, show a decrease in membership and in number of leagues in the conference, the total being 106 leagues with a membership of 3707. Thus more than two-thirds of the churches in the Missouri Conference are without Epworth Leagues for their young people. This fact is much regretted. We most earnestly ask the co-operation of the pastors during the ensuing year for the organization and maintainance of Epworth Leagues in all churches.

2

Furthermore, we believe that an enormous per cent of the young people are lost to the church through the disinterestedness of some church organizations and pastors in respect to the Junior and Intermediate Leagues. The Junior and the Intermediate Leagues have in the past and always will contribute to the future leadership of the Epworth Leagues and the church. Therefore, we recommend ample provisions and consideration in all congregations of our church for these departments.

Whereas, the second Sunday in May has been designated by the Discipline, 1918, as the day to be observed as Anniversary Day, not only where there are Leagues, but in every congregation, we urge the pastors of every congregation to see that this particular part of the program of our last General Conference is carried out, and that an offering is taken and sent directly to the treasurer of the Conference Epworth League.

We recommend that every local chapter have a definite policy of work for each department including, an established mission study class, and the adoption of the Conservation Program in our church. Furthermore, we recommend the observance of Watch-Night with a proper presentation of the Stewardship of Life and a definite call to the ministry and the Missionary fields.

We call especial attention to the educational value of the Epworth Era in promoting the various phases of the Epworth League work and recom-

mend that it be brought into all of our local chapters and placed in the hands of every leaguer.

Inasmuch as the annual assembly at Pertle Springs has been successful in the past and has been a source of great benefit and spiritual power to the young people of the Missouri Conference who have availed themselves of its privileges, we appeal, to the pastors to urge a full representation of their young people so that we might have an adequate part in its constructive program.

We recommend to the Conference the appointment of H. E. Corbin to fill the vacancy on the Board by the transfer of A. N. Evans.

ROBERT C. HOLLIDAY, President. R. A. MITCHELL, Secretary.

REPORT OF BOARD OF CHRISTIAN LITERATURE

Dear Brethren:

The Board of Christian Literature begs leave to submit the following report:

The report of the publishing agents was submitted to us and reveals the tremendous difficulties under which our agents have worked in furnishing the literature of the church. Notwithstanding these almost insuperable difficulties, our agents have been able to maintain the same high standard in quality and workmanship, and to give to our people publications second to none. It is exceedingly important that the circulation of the Quarterly Review, The Nashville Advocate, The Epworth Era and Missionary Voice be greatly increased. We earnestly urge all of our preachers to do all that they can to secure the circulation of these periodicals among our people, and we suggest that whenever possible, the Sunday School literature of our church be used by our Sunday Schools.

We wish to commend the editors of our various publications for the high standards which they have maintained, and assure them of our hearty co-operation in doing the work which the church has called them to do.

1. The St. Louis Christian Advocate belongs to the three Annual Conferences in Missouri. The title of the property is in The Methodist Advocate Publishing Company, an industrial corporation chartered by the State, whose nine stockholders and directors were elected three each by the three Conferences. In order to comply with the requirements of the law, certificates of stock were issued in equal proportions to each of these nine stockholders or trustees, but the certificates do not bear dividends,

are not negotiable and are transferrable only to a successor elected by the Conference, and the death or removal from Missouri of a stockholder ipso facto creates a vacancy. The corporation is therefore only the agent of the three Conferences for the publication of the paper, and the stockholders and directors are their trustees. In every valuable sense the paper and all its properties now belong to the Church in Missouri in the same sense that our church buildings and parsonages belong to the church.

- 2. Since the transfer of the paper to the Annual Conferences in October, 1918, all current expenses have been paid as the accounts accrued, the directors have been reimbursed for the money they advanced to create a capital for the corporation which acquire the ownership of the paper, about \$4000 of debts which have previously been paid, and there are now no established debts remaining.
- 3. The number of two-dollar subscriptions is now about 10,500, and the number of such subscriptions obtained in Missouri in the last year up to August 21st was 3262 1/4, and the number obtained within the bounds of the Missouri Conference during that time is 1277 1/2.
- 4. The great advancement in the price of news-print paper to three and four times its cost a few years ago, and a like increase in the costs of composition, press-work and other printing expenses, have very largely increased the expense of publishing the paper, and made it necessary, if its publication without debts is to continue, that better and more efficient plans be devised.
- 5. The resolutions adopted by the three Conferences in 1918 and renewed in 1919 providing that an annual assessment of \$1500 be laid on the various charges in each until the whole number of two-dollar subscriptions to the Advocate reaches 12,000, and that each two-dollar new subscription obtained should count as a payment of one dollar on the assessment. The number of two-dollar subscriptions has not yet reached 12,000 and that each two-dollar new subscription obtained should count as a payment of one dollar on the assessment. The number of two-dollar subscriptions has not yet reached 12,000 by 1500, and we are under obligations to continue that assessment until that number is reached.

But if the Advocate is to be able to meet the expenses of its publication the number of subscribers must be increased far above 12,000. The facts and figures brought to our attention give assurance that if the number of two-dollar subscribers is increased to 15,000, the subscription price need not be increased, the returns will afford sufficient revenue to pay all expenses, and the usefulness of the paper will at the same time be greatly enlarged.

We therefore recommend the adoption of the following resolutions:

- A. The Missouri Annual Conference undertakes and assumes to secure and maintain 6,000 two-dollar subscriptions to the St. Louis Christian Advocate, as a minimum of such subscriptions, and to maintain the subscriptions at that number at all times.
- B. The said number of such subscriptions shall be apportioned to the various districts within the bounds of the Conference in the same manner and by the same rule of percentage as other Conference assessments are apportioned, and the pastor and members of each charge are requested to obtain enough new subscriptions and renewals to bring the whole number of subscriptions within the charge up to the number apportioned to it, and to maintain the number at that quota at all times.
- C. An assessment of Fifteen Hundred (\$1500.00) Dollars is laid upon the Missouri Conference, for the support of the St. Louis Christian Advocate. This amount to be apportioned to the several districts, and by the district stewards to the several charges. Any deficit from the Conference shall be paid pro rata by the several conference boards.
- D. It is hereby declared to be the policy of this Conference to place the St. Louis Christian Advocate in every Southern Methodist home within its bounds.
- E. The St. Louis Conference and the Southwest Missouri Conference, joint owners with us in the St. Louis Christian Advocate, are hereby respectfully requested to undertake to bring the whole number of Two-Dollar subscriptions within their respective bounds, to forty-five hundred (4500) each, and to make the same assessment as the one provided for in the foregoing resolutions for the support of the St. Louis Christian Advocate.

Respectfully submitted, C. L. HESS, Chairman.

REPORT OF AMERICAN BIBLE SOCIETY BOARD

Dear Brethren:

We, your Board of the American Bible Society, desire to submit the following report:

It is our sincere conviction that nothing with which we have to do as a great religious force in the world is more important and far-reaching in its results than the giving of the Bible to the world. The American Bible Society is the agency to this end and must have the support of the church.

The church has given the Bible to the world and must continue to do so.

Mission work and the work of the American Bible Society are necessarily reciprocal. Therefore we urge a larger place in the missionary program of the churches to be given the American Bible Society.

Our church is responding to this call in a way, but possibly not to the extent that it should.

The Missouri Conference has responded liberally, having contributed this year the sum of \$951.28.

We recommend that John Holland be substituted on our board in place of L. H. Herring, deceased.

W. D. KING, Chairman F. E. MOSLEY, Secretary.

REPORT OF DISTRICT CONFERENCE RECORDS

Dear Brethren: We, your Committee on District Conference Records, beg leave to make the following report:

The records of the Chillicothe, St. Joseph, Fayette, St. Charles, Gallatin and Richmond Districts are neatly kept and are complete in every detail.

The Macon, Hannibal and Mexico District records were not before the committee. The secretaries of these respective districts report their records well kept and conform to all requirements.

Respectfully submitted,

MERTON A. WEST, Chairman. GEO. POHLMAN, Secretary

REPORT OF THE BOARD OF TEMPERANCE

We, your Board of Temperance and Sabbath Observance, submit the following report:

- 1. We rejoice in the adoption of the Eighteenth Amendment to the National Constitution for Nation-wide Prohibition which went into effect January 16, 1920. While we deplore the fact that the Prohibition law is being violated in many places, yet we rejoice in the absence of drunkeness and the manifest sobriety as a result of the enforcement of this law.
- 2. That, as the Prohibition Enforcement law of our state passed by the last legislature has been held up by the liquor men through the referendum and to be voted on at our November election. We, as ministers and laymen hereby declare, that, by every reasonable effort and by our votes we will do all in our own power to sustain the law.
- 3. That we express our appreciation of the efficient service of the Anti-Saloon League and its great victories in the fight against the liquor traffic and assure its representatives that our pulpits are still open to them for the presentation of this great work. We renew our pledge of loyal support to its program.
- 4. We appreciate the untiring efforts and great efficiency of the Woman's Christian Temperance Union in the fight against the liquor traffic and assure them that these efforts have contributed much to the victories in securing National Prohibition.
- 5. We are in hearty accord with the Lord's Day Alliance of Missouri in its efforts to impress upon the public mind and conscience the necessity of observing the sanctity of the Christian Sabbath; and that our pulpits are open to its representatives for the presentation of its work. We hereby recommend Rev. M. T. Haw and Mr. R. W. Brooks as our representatives on its Board of Managers.
- 6. That we hereby express our appreciation of the music rendered by our Conference Quartette and the splendid address of Rev. W. C. Shupp, State Superintendent, Missouri Anti-Saloon League.
- 7. We recommend for reappointment as trustees to represent this Conference on the State Board of the Anti-Saloon League Rev. J. J. Reed and Mr. M. E. Lawson.

J. J. REED, President W. LESLIE MYERS, Secretary

REPORT OF WOMEN'S MISSIONARY SOCIETY

As we present the report of the Women's Missionary Society, we realize that our Heavenly Father has bestowed many blessings upon us this year and we are thankful for the measure of prosperity that has been ours. Advancement has been made along every line of activity, though not so marked an advancement as we had hoped for. Our membership is equal to about one-seventh of the women church members of the Conference—a proportion far too small; but a like proportion prevails in the church at large. For the last several years our collections for missionary purposes have increased steadily from year to year, passing in 1919, the ten thousand dollar mark. Expenditures for local work are also increasing. The total amount received by the Conference Treasurer for missionary purposes in 1919 was \$11,455.58. The total spent for local work was \$4,448.08.

We rejoice when we contemplate the work done by our missionaries—the women who represent us and are supported by our Conference in the fields, Misses Perkinson and Hyde, after giving years of splendid service in various schools maintained by the Council in Brazil, are both now engaged in the establishment of the great new school in Rio de Janeiro, Bennett College. Miss Combs in China, Miss Hager in Japan, and Miss Ingrum in Mexico are serving faithfully and well. Miss Stallings is at home on furlough from China, and after a summer given to conference meetings and assemblies will spend the winter months at school in New York. Miss Searcy sailed for Japan July 29, and will soon have entered upon her year of preparation for work in our mission there. Miss Searcy is supported from the Centenary fund. Too much cannot be said in praise of

these women. Prepared as they are in heart and mind for the difficult and delicate tasks they must meet, they go forth gladly and work faithfully and whole heartedly for the spread of the knowledge of the Lord Jesus Christ in their respective fields.

At the Annual meeting in June, the Conference pledged to pray for ten volunteers within the bonds of our Conference during the year. Our hearts have been made glad over the answers to this prayer; for during the summer, seven of our choicest young women have made the decision which sets them apart for special service. One of them is ready to enter Scarritt Bible and Training School this fall and several others will be ready one year from now. We praise God for these consecrated lives, and while giving thanks for the answers to our prayer, are not forgetful of the great need of the world and of the comparatively small number of volunteers we have been able to offer to meet that need. We are praying and working that we may have not merely three more, but many more from our Conference before the year shall close.

Missouri Conference has during this year suffered a most serious loss in the death of the Corresponding Secretary, our valued friend and sister, Mrs. W. L. Reed. Through many years, Mrs. Reed has held the most responsible office in the Conference work of the Women's Missionary Society, and has done more than any other one woman to forward the interests of missionary work among the women of the Conference. We miss her sadly and shall miss her, for her capabilities were splendid; her zeal and energy were untiring and her consecration was complete. We count ourselves fortunate to have had the blessings and inspiration of her presence among us. Her efforts will continue to bear fruit for years to come. As a fitting memorial to Mrs. Reed, the Conference has undertaken the endowment of a scholarship at Scarritt to be called the "Alcinda Allen Reed Scholarship" and to be used by candidates in training for either home Thus, in the way which we believe she would have or foreign work. chosen, do we hope to render perpetual the memory of her to whom the organized work of Missouri Conference women owes so much.

As we offer this report, we wish to thank you, ministers and laymen, for your help in furthering the interests of the Women's Missionary Society. We are assured of your loyalty and sympathy; we therefore earnestly request your assistance in enlisting the women, young people and children of your churches in the missionary cause. We hope that you will find the women of the missionary auxiliaries ready in the future, as they have always been in the past, to render any service in the local congregation, that needs to be performed; and that we all may work together, heartily and unitedly, for the bringing in of the Kingdom of our Lord and of His Christ.

MRS. S. W. HAYNE, Conf. President. MRS. J. R. LYELL, Conf. Cor. Sec'y.

REPORT OF BARNES HOSPITAL CHAPLAIN

We, your Committee, to which was referred the paper presented by Bishops Murrah, Hendrix and McMurry, representing the College of Bishops, concerning the Barnes. Hospital, and the importance of relating the church in Missouri more vitally to said hospital by providing for the support of a chaplain, respectfully report as follows:

1st. We record our gratitude to God that our church in Missouri has been chosen to administer this great trust through trustees appointed by the Bishop in charge of the Conferences in Missouri.

2nd. We cordially approve the plans suggested by the College of Bishops through the committee for providing for the support of a chaplain to Barnes Hospital.

3rd. We accept \$2500 as our share of the \$8000.00, estimated as necessary, as an assessment, to yield an amount sufficient to provide for the salary and the house rent for such chaplain, and instruct our commission on finance to place said amount in the conference budget.

4th. We instruct our conference treasurer to pay out this fund as he pays out other conference funds, and as directed by the Bishop in charge of this conference.

REPORT OF THE COMMUNITY MEDICAL LABORATORY OF THE MISSOURI FOUNDATION

St. Joseph, Mo., Sept. 1, 1920.

In accordance with law the Community Medical Laboratory of the Missouri Foundation herewith submits its Sixth Annual Report to the Missouri Annual Conference of the Methodist Episcopal Church, South. The attention of St. Joseph Methodism is at present centered upon the estab-

lishment of the Wesley House upon a solid and permanent foundation, and much work has been done looking toward that end during the past year, and much work is contemplated looking toward the same end for the coming year. For these reasons it has not been possible to put into effect a definite plan for the establishment of a Medical Laboratory in St. Joseph during the past year. \$50,000 has been appropriated for the building of a Wesley House in St. Joseph from the Centenary Fund, one-half of the amount coming from the Woman's Council and one-half from the Home Mission Department of the Board of Missions. In addition, \$10,000 has been bequeathed to the same institution by the Wills of Messrs Louis and William Huggins, prominent Presbyterian men of St. Joseph who have recently died. In addition a lot has been bought in the last year at Cherokee & Pryor Avenues in South St. Joseph on which there is a building in which the activities of the Wesley House are now being temporarily conducted pending the erection of the new building. The men intested in the Medical Laboratory have likewise been the men interested in the Wesley House, and as the Wesley House has had the right-of-way at this time, action relative to the Medical Laboratory has necessarily been postpond. Nevertheless, the need for the Medical Laboratory grows constantly more urgent. The high cost of illness absolutely necessitatates some action being taken of a social nature if the benefits of modern medical science are to be brought to the great mass of the people. Laboratory facilities at the present time are exclusively in the hands of private physicians and business corporations and laboratory service is exploited by them on a purely business and commercial basis. These facilities are costly and expensive and not within reach of the great middle class of people. At present the very rich and the poor are receiving all of these benefits because the one class can buy them and the other class is given them. In between these two classes there is the great middle class of people who are neither rich nor poor, but who are not able to secure for themselves at the prevailing prices for such service adequate medical laboratory facilities. The only way that Medical Laboratory facilities can be made available for this great middle class is through the endowed Community Medical Laboratory conducted on a social basis. It is such a Community Medical Laboratory as this that this Board is endeavoring to establish in St. Joseph. Its activities at present, for the reasons stated above, are being limited to propaganda work. Wealthy individuals are being sought out and asked to found and establish such an institution and in many other ways the public is being educated to understand the need for such an institution. It will certainly come some day and we sincerely trust that it will come through the agency of the church as we believe that in this way its permanency and greatest usefulness will be obtained. Let no one suppose for one moment that the purpose for which this Board has been created has been abandoned. Every year that passes emphasizes the wisdom of its creation and the great need of the institution which it was created to establish.

DANIEL MORTON, Secretary.

MEMOIRS

REV. JOHN ANDERSON

REV. JOHN ANDERSON

The Rev. John Anderson, one of our beloved superannuates, who seemingly was blessed with the promise of improvement in health was suddenly taken from his family while on a visit with his eldest son, Dr. George Anderson of Casper, Wyoming. Dr. Anderson was born in Platte county, March 6, 1848. At the age of eight years his conviction of the saving grace of the Master led to his conversion and membership in the Methodist Episcopal Church, South. When 18 years of age he entered Central College. Three years later he received a degree from the School of Moral Philosophy at the University of Virginia.

In the year of 1870 he was admitted into full connection of the Missouri Conference, then in session at Columbia, and received an appointment to Maryville Circuit. Two years later because of ill health he was compelled to transfer to the Pacific Conference. Because of this condition of health he began a study of law, and was later admitted to the bar of California. Dr. Anderson was not able to overcome the conviction that his life work was to preach the Gospel, and was therefore led to re-enter the Missouri Conference after a few years absence.

This good man was the leader in many of our most important charges and enterprises of the Conference, all of which he served with rare gifts of consecration, devotion and efficiency. Among these appointments, were, Fayette, Mexico, Carrollton, Gallatin, Arch St., Hannibal, Presiding Elder of the Fayette, Mexico, Chillicothe, Hannibal Districts. As a Presiding Elder his work was characterized by painstaking labor and devotion. Confidence in his administrative ability was manifest among his brethren by their having elected him delegate to four sessions of the General Conference.

In 1901, Central College recognized the rare quality of his scholarship, by conferring upon him the degree of Doctor of Divinity. He was always actively interested in the educational policies of the church, and served as curator for our various schools for many years. Dr. Anderson was constantly assisting the younger preachers with the circulation of his splendid library among them. He is survived by his wife, one daughter, Mrs. Mary M. Porch, and five sons, Dr. George, G. R., J. C., R. E., and Paul D. Anderson. His long career of service in the Kingdom's interest was blessed with hundreds of souls saved to his Master, numerous churches organized, houses of worship built, and many young men, guided by his interest and counsel gave themselves to preaching the Gospel. Truly his life is vital among us in its influence.

W. A. McKEE.

REV. WILLIAM O. MEDLEY

REV. WILLIAM O. MEDLEY

Thursday, July 29, 1920, as the shades of evening were falling, in quietness and peace at the parsonage in Ashland, Mo., the spirit of our dear brother William O. Medley, slipped away to God. A gracious soul and a faithful servant of God has fallen in the midst of battle. The memory of his life, his labors and all his good works in the church, his devotion to his home and the welfare of humanity will never be forgotten. It is no borrowed word of pleasing speech to say "He was a good man, and full of faith and of the Holy Spirit, and many people were added unto the Lord by his ministry."

W. O. Medley was born in Franklin county, Kentucky, August 25, 1855, and came with his parents to Missouri in a wagon train when he was one year old. He grew to manhood in Audrain county and received his early educational training in public and private schools. He was licensed to preach by the Mexico Circuit quarterly conference June 1, 1878, S. W. Cope, presiding elder and A. Spencer preacher in charge. He was admitted on trial in the Missouri Conference at Macon, September 12, 1878, Bishop D. S. Doggett presiding, and appointed Junior preacher to B. F. Johnson on the Fulton Circuit. He was fortunate in this association for that godly man soon saw the young preacher was unprepared for his work and needed further school training and advised that young Medley enter Central College, which he immediately did, staying two years. In 1881, he again entered the Conference and for thirty-nine years he went forth from our Conference to his appointed labors, a courageous, devout, faithful soul, sowing beside all waters and ministering to the people committed to his oversight as a true shepherd of souls.

He served the following charges: Milan, Hamburg, Canton, Novelty, Wellsville, Madison, Hallsville, Jonesburg, Eolia, Clarksville, Clarence, Shelbina, Salisbury, Armstrong, Gallatin, Dearborn, Kahoka, Shelbyville and Ashland. In all sixteen circuit and three stations. April 10, 1889, during his ministry at Canton he was married to Miss Elizabeth Stuart.

The past few years Brother Medley has been conscious of a serious condition of his health. His family desired him to rest, but he could not leave his loved employ. Weak and weary and worn as he was, he wanted to go and watch over his sheep and tell the story of his Saviour's love and power to save.

And to the last with him, it was:

"Happy, if with my latest breath I may but gasp his name; Preach him to all and cry in death, 'Behold, behold the Lamb!'"

The most serious and final break in his health came about June 1st and he was compelled to take his bed. With a clear mind and conscious that the end was night, he went over all the work of his ministry and particularly the affairs of his charge with his stewards and the presiding elder and his records that have always been so faithfully and accurately kept were committed to other hands that the records of his charge might be properly made to Conference.

He looked into all the details of his work. Nothing was overlooked. A good report has been made to our Conference. In spite of his illness and inability to do the full work of the ministry during the year the charge will report the salary in full with twice as much raised on the Conference Collections as paid in any previous year and eighteen new subscribers to the Christian Advocate. All the people bear record, that few men on the charge ever visited so many homes or talked so helpfully or prayed more earnestly for God's blessing on every household. One cannot think of W. O. Medley without instinctively recalling Goldsmith's lines on "The Village Preacher."

"A man he was to all the country dear,
And passing rich with forty pounds a year;
Remote from towns he ran his godly race,
Nor e'er had changed, nor wished to change his place;
Unpracticed he to fawn, or seek for power,
By doctrines fashioned to the varying hour;
Far other aims his heart had learned to prize.

But in his duty prompt at every call, He watched and wept, he prayed and felt for all."

The outstanding characteristic of W. O. Medley was faithfulness to duty. He never shirked a task, nor side-stepped a duty because it was difficult or unpleasant. The weather, the roads, nor his own failing strength ever stopped him. He counted not his life or ease or own position dear unto himself.

Nothing moved him from his consecration to Christ and the accomplishing of his ministry which he had received of the Lord Jesus to testify the gospel of the grace of God. He came from godly stock. His grandfather, James Medley joined the Virginia Conference in 1808. His great uncle, J. F. Medley, was a member of the Virginia Conference for forty years. His father's sister's son, B. D. Sipple, is an honored member of our Conference, likewise his brother, J. A. Medley, a brother beloved faithful and efficient as a pastor and our Conference Teller. In the Medley family has been verified the promise of the covenant keeping God, who remembers mercy and shows loving kindness upon the generations of them that love him and keep his commandments.

Brother Medley, the child of godly parents, could not have been other than the man he was, faithful and true, a devout servant of the church. An incident of his last days best reveals the real Christian man he was. He had been suffering intensely and was too weak to be raised for a drink, he seemed scarcely conscious. It was the Sabbath; as the singing began at the church near by he made a beautiful, clear and effective prayer. He seemed to be away from the world except the flesh. Thus he lived; thus he went home to God.

"And, all his prospects brightening to the last, His heaven commenced ere the world was past."

To his dear wife and faithful helper in his long itinerancy, his son, Thomas H. of Harrisburg, S. D., and daughter, Mrs. Frank Naylor, Columbia, and brothers and sisters he gave tender messages. To all his people who came to see him, he had many words of good counsel and through his presiding elder he sent love and greetings to all his brethren of the Conference.

The funeral service was conducted in Ashland Church by C. O. Ransford and his body was laid to rest in Columbia Cemetery.

CHARLES ORRIN RANSFORD.

MRS. B. F. STILLWELL

Mrs. Emily Stillwell was born in Knox county, Ohio, March 25, 1839. She passed to her reward in East Moline, Ill., December 3, 1919, aged 80 years, 8 months and 8 days. She was married to Benjamin F. Stillwell in Mill Grove, Powskey county, Iowa, December 23, 1857. She was the mother of five children, all of whom with the husband have preceded her to the other world. She professed religion and joined the church a few years after she was married. The writer knew her and a few years ago visited her in her humble home, where she was fighting life's battles alone as best she could. Her remains were laid to rest in Riverside Cemetery, Moline, Illinois.

"Servant of God, well done.

Rest from thy loved employ.

The battle fought, the victory won,
Enter thy Master's joy."

JOHN HUBBARD

MRS. H. T. LEEPER

Sister Cordelia Leeper was born in Triplett, Missouri in 1846. She was married to the Rev. H. T. Leeper, January 26, 1868, and for more than half a century was the wife or widow of a Methodist preacher. Sister Leeper was the mother of five children. She was converted in her childhood and grew up into Christ with all the passing years.

During the years of her husband's active service in the ministry she was full of good works and almsdeeds which she did. During the lonely years of her widowhood she was patient and hopeful. Her faith in Christ abiding to the end. February 23, 1920, Sister Leeper was transferred to the church above. Her funeral was conducted by her pastor and her body buried by that of her husband at Gallatin, Mo.
